Certifications: SAFe 6 Agilist

EXPERIENCE

- 5/2025-8/2025 **Software Developer Intern, Wi-Tronix, Bolingbrook, IL**
- Developed and extended APIs by adding new endpoints to support enhanced application functionality
 - Designed and implemented new APIs to deliver features aligned with evolving customer requirements
 - Optimized existing microservices to eliminate redundant data transmission during RabbitMQ publishing
 - Diagnosed and resolved bugs across service's web portal and underlying business logic, improving stability and user experience
- 5/2024-8/2024 **Software Developer Intern, Wi-Tronix, Bolingbrook, IL**
- Refactored legacy code into modular, loosely coupled microservices to improve scalability and maintainability, with a focus on locomotive health monitoring
 - Designed and implemented SQL stored procedures and new database tables to support evolving customer requirements and platform feature enhancements
 - Identified and resolved bugs within the web portal interface
 - Contributed to the design, development, testing, and deployment phases of the software development lifecycle, supporting the delivery of production-ready features

LEADERSHIP

- 11/2023-present **Alumni Chair, Lambda Chi Alpha, Alpha Phi-Zeta Chapter, Tuscaloosa, AL**
- Strategize with leaders within the fraternity to improve the position's success in maintaining healthy relationships with alumni
 - Create a communication pipeline to maintain strong relationships with graduated fraternity brothers
- 11/2022-11/2023 **Academic Chair, Lambda Chi Alpha, Alpha Phi-Zeta Chapter, Tuscaloosa, AL**
- Oversee and manage new and active member weekly study hall sessions Monday-Thursday
 - Develop social probation system to improve overall academic performance of the fraternity
 - Advise and assist fraternity members in classwork and studying skills
